Opinion No. 74-386

The Honorable Richard C. "Pete" Loux
House Minority Leader
House of Representatives
Statehouse
Topeka, Kansas 66612

Dear Representative Loux:

You inquire whether my opinion of September 13, 1972, addressed to Mr. Max Bickford, Executive Officer of the Kansas State Board of Regents, is applicable only to that Board, or whether it applies to other entities of government to which the Kansas open meeting law, K.S.A. 75-4317 et seq., is applicable. The conclusions and recommendations set forth in that opinion were based solely upon the open meeting law, and not upon any particular statute or statutes applicable only to the Board of Regents. Thus, that opinion does apply to all meetings to which the open meeting act applies.

Yours very truly,

VERN MILLER
Attorney General
