Opinion No. 75- 97A

Mr. William Harris
Division of Taxation
Department of Revenue
State Office Building
Topeka, Kansas 66612

Dear Mr. Harris:

Pursuant to our conversation of March 18, 1975, I am submitting a revised instruction for line 6 of the bingo license application form.

"6. Indicate on line 6 the number of years your organization has been in existence, and its inception date if less than five years prior to filing this application. No license may be issued unless your organization has been in existence for five continuous years preceding this application. Fraternal and veterans' organizations, in addition, must have had a dues paying membership in Kansas throughout the five year period. These restrictions do not apply if your organization is affiliated with and chartered by a national organization which meets the requirements set out in this paragraph."

I trust that this will rectify the problem on the earlier forms. As I said earlier, there is no reason that the forms which have already been mailed cannot be used, but you should use these restructured forms in all future applications.

Yours very truly,

CURT T. SCHNEIDER
Attorney General
