Opinion No. 74- 58

Mr. John Ivan
Administrative Assistant
Office of the Governor
State Capitol
Topeka, Kansas 66612

Dear Mr. Ivan:

You inquire whether any conflict of interest or incompatibility exists between a position as member of the Kansas Civil Rights Commission and that of county attorney. We see no incompatibility or conflict of interest. Indeed, the duties of county attorneys under the Kansas Civil Rights Act, such as set forth in K.S.A. 44-1022, are fully compatible with any responsibilities of a member of the commission itself. We conclude that the positions are not incompatible, and that there is no inherent conflict of interest between them.

Yours very truly,

Vern Miller
